422 Fairway Meadows
Garland, TX 75044**

Please provide separate checks for concert/booking fees and expense reimbursements for tax purposes.

Fees generally include choir rehearsal, evening concert, and several selections during the morning worship service. Each event is unique, so please dialogue with Ms. Sorenson regarding any ideas and requests you have for this event. Her desire is to help, serve, and encourage.

Cancellations:

Any expenses incurred, plus half of the composer fee are payable upon cancellation by the host church within six weeks prior to the initial date of the event, unless the event can be rescheduled as agreed upon by both parties.

Travel/Lodging/Meals:

- Heather will schedule her own flights, and submit receipts for reimbursement.
- When possible, Heather prefers to fly in the afternoon/evening before an event. She struggles with motion sickness, and usually takes Dramamine when she flies. One of the side effects of Dramamine is marked drowsiness. Arriving the night before allows her to sleep off the medicine before the event.
- Because of the Dramamine situation, Heather prefers to have someone pick her up at the airport, rather than renting a car for the weekend.
- Please secure lodging at a respected national chain - such as Hilton (preferred), Marriott, Hyatt, and Holiday Inn properties. Lodging at Hilton properties often allows for free upgrades (such as internet) with Heather's rewards program.
- Heather has no food allergies. Although she is not a picky eater, she does not care for seafood. Healthy and light food choices are always a big hit with her.

Concert/Rehearsal Needs:

- Please have a freshly tuned piano positioned at center stage (when possible) for the evening concert.
- Heather often speaks and sings from the piano. Please have available a microphone on a boom stand.
- Often, Heather brings product (CD's and books) to sell at her events. Please have a table available in high traffic areas for her to display product. Because she likes to meet and greet the congregation before and after events, it would be helpful to have several volunteers stationed at the table 30 minutes before and after the concert/services to sell product.
