Please provide separate checks for concert/booking fees and expense reimbursements for tax purposes.

Fees generally include choir rehearsal, evening concert, and several selections during the morning worship service. Each event is unique, so please dialogue with Ms. Sorenson regarding any ideas and requests you have for this event. Her desire is to help, serve, and encourage.

Cancellations:

Any expenses incurred, plus half of the composer fee are payable upon cancellation by the host church within six weeks prior to the initial date of the event, unless the event can be rescheduled as agreed upon by both parties.

Travel/Lodging/Meals:

- Heather will schedule her own flights, and submit receipts for reimbursement.
- Heather struggles with severe motion sickness and usually takes Dramamine when she flies. One of the side effects of Dramamine is marked drowsiness. Because of the Dramamine situation, Heather will need someone to pick her up at the airport.
- Heather is a member of World of Hyatt, which allows her free upgrades (free warm breakfast, internet, etc). While Hyatt is her preferred hotel, if this is unavailable, lodging at a respected national chain is acceptable (Hilton, Marriott, and Holiday Inn properties, etc).
- Heather has no food allergies. Although she is not a picky eater, she does not care for seafood. Healthy and light food choices are always a big hit with her.
- Heather loves people, and although this is her career, it is also her ministry. Like many musicians, she is a natural introvert and is most effective in her ministry when there is down-time built into the schedule for her to be alone and recharge. She will not be at her best if she is asked to be at a social event/meal right before the concert.

Concert/Rehearsal Needs:

- Please have a freshly tuned piano positioned at center stage (when possible) for the evening concert.
- Heather often speaks and sings from the piano. Please have available a microphone on a boom stand.
- Please schedule a brief soundcheck for Heather into the overall weekend schedule.
- Often, Heather brings merchandise (CD's and books) to sell at her events. Please have table(s) available in high traffic areas for her to display product. Because she likes to meet and greet the congregation before and after events, it would be helpful to have several volunteers stationed at the tables ready to sell 30 minutes before and after the concert/services to sell product.
